

# Wherever you will go

## The Calling

Standard tuning

♩ = 120

S-Gt

*mf*  
Capo. fret 2

C G  
So lately, been wondering,  
Am F C  
Who will be there to take my place  
G  
When I'm gone, you'll need love  
Am F C  
To light the shadows on your face  
G Am  
If a great wave shall fall  
F C  
It would fall upon us all  
G Am  
And between the sand and stone  
F G  
Could you make it on your own

C G  
If I could, then I would  
Am F  
I'll go wherever you will go  
C G  
Way up high, or down low  
Am F  
I'll go wherever you will go

And maybe, I'll find out  
The way to make it back someday  
To watch you, to guide you  
Through the darkest of your days  
If a great wave shall fall  
It would fall upon us all  
Well then I hope there's someone out there  
Who can bring me back to you

If I could, then I would  
I'll go wherever you will go  
Way up high, or down low  
I'll go wherever you will go  
Am G  
Runaway with my heart  
G Am  
Runaway with my hope  
Am G  
Runaway with my love

(Repeat Top)  
I know now, just quite how  
My life and love might still go on  
In your heart, in your mind  
I'll stay with you for all of time

If I could, then I would  
I'll go wherever you will go  
Way up high, or down low  
I'll go wherever you will go

If I could turn back time  
I'll go wherever you will go  
If I could make you mine  
I'll go wherever you will go  
I'll go wherever you will go
